

L / PEPPINO SINGLE LEVER MIXER

TAPS SUITABLE FOR CHILDREN FOR
KINDERGARTEN AND SCHOOL

Children playfully grasp the world much faster.

LINDNER supports this learn process by taps that combine the fun factor of water ideally with an easy use. Washing handy, brushing teeth and such quickly becomes a great pleasure with learning effect.

CHILDPROOF ALL AROUND

- » design appropriate for children; easy to use; spout projection 90 mm; water saving flow rate of 5,7 l/min at 4 bar;
- » with durable, low-noise ceramic cartridge; high-class aerator;
- » flexible armoured-hoses with back-flow preventer and strainer;
- » all water-bearing parts comply with KTW (guidelines for contact with drinking water) and recent recommendations of the Federal Environment Agency UBA.
