

# Wall tank

## With a natural stone finish

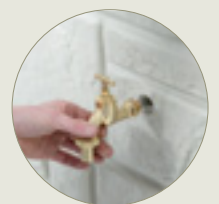

CLASSICline

- Tank features a natural stone finish so it can be installed next to an outside wall
- Large storage volume with little space requirement
- Water can be extracted with ease using the tap or universal hose kit (accessories, page 30)
- Wind protection and inlet seal included in scope of supply
- Incl. tap opening to empty the storage tank before the weather turns frosty
- Particularly UV-stable and weather-resistant

For suitable taps and accessories, see page 30

Threaded connection as standard! Tap can be fitted with ease without drilling
